MEDIA - SATURN

are you thinking about studying abroad? are you interested in academic studies and at the same time in gaining practical work experience? Why not choose both and study **international retail management** in cooperation with europe's number one electronics retailer and the university of applied Sciences ingolstadt, Germany.

The study program in **International Retail Management** combines academic studies with practical work experience. The Media-Saturn Group will provide you with support during your studies.

As we are always on the lookout for promising new talent, you will find a number of attractive career opportunities open to you at the Media-Saturn Group after graduation.

at the university of applied Sciences ingolstadt, Germany, you first complete basic courses in **business administration**, followed by more advanced studies in the field of **retail management**. the language of instruction and examination is english. **Course-related internships** completed during the semester breaks and a practical semester provide you with the perfect opportunity to put your theoretical knowledge to the test. You will receive a **monthly salary** of 1,000 euro (pre-tax) for the duration of your studies. after just seven semesters, you will graduate with a Bachelor of arts.

having successfully completed your studies, you will have the chance to launch your career by becoming an **international management trainee** at our company. You will be given the opportunity to master demanding operative and strategic challenges in both the **national** and **international arenas**. We will help you identify and develop your talents and strengths, giving you everything you need for a **successful career**.
